Gainful Employment Disclosure for Certificate Program

Name of Program: Actuarial Science

Stand Alone: Yes  Degree Dependent: Yes

Program Description: This certificate program proposed by the Department of Mathematics and Statistics will enable current undergraduate students in the actuarial science emphasis area to continue their education in a graduate level program that is tightly focused on their chosen career path.

Credit hours required to complete the program: 12

Certificate Website: [http://math.mst.edu/graduatedegreeprograms/index.html](http://math.mst.edu/graduatedegreeprograms/index.html)

For additional information please contact: Department of Mathematics and Statistics
Email: math@mst.edu  Phone: 573-341-4641
Address: 400 W 12th Street, Rolla, MO 65409

Federal Disclosure Information

OPEID Code: 002517  CIP Code: 27.0101  Credential Level: 04

Months needed to complete certificate: 9

Student’s on-time graduation rate for 2010-2011: No Completers for 2010-2011

Tuition and fees for completing this certificate program within normal timeframe:
- Resident: $4,224.40
- Non-Resident: $10,046.80

Estimated costs for books and supplies: $710

Cost of Room and Board, if applicable: $5,662

The median cumulative debt for each of the following:
For all students (both borrowers and non-borrowers)
- Federal student loan debt: $0.00
- Private loan debt: $0.00
- Institutional financing plan debt: $0.00

Note: The majority of graduates in this program did not carry a debt balance at the time of graduation, therefore median debt per graduate is $0.
**Job placement rate for students who complete the program:** No Completers for 2010-2011

**Occupational information:** Holders of this certificate generally enter into occupations related to general Mathematics.
